Join us for this special rare-mileage round-trip excursion over the former Rutland Railroad from Burlington to Rutland, Vermont.

Our trip will originate at 10:30 AM in downtown Burlington, VT from the former Union Station, now an office complex. We'll skirt the shore of Lake Champlain before heading inland through the towns of Shelburne and Vergennes. At Middlebury we enter the valley of Otter Creek, which we will follow most of the way to Rutland. We'll cross Otter Creek several times on our way through Pittsford and Proctor, the home of the **Vermont Marble Museum**. Passengers may leave the train here to visit the Museum and take a short walk to the original Sutherland Falls Quarry, rejoining the train on its return trip to Burlington. Our train will continue on to Rutland, the terminus of Amtrak's *Ethan Allen* train service from New York. After a short stopover our train will return to Burlington, arriving there at approximately 6:30 PM. We are planning several photo stops along our southbound journey, subject to weather, schedule and operating conditions.

Our train will consist of coaches and locomotives chartered from the Green Mountain Railroad's "Green Fleet". Train capacity is limited! We will assign seats by car only and will reserve blocks of seats for groups of four or more; passengers wishing to sit together must order tickets together at the same time. Box lunches are available for advance purchase, or you may bring your own lunch. Limited snack and beverage service will be available aboard the train.

This trip operates ONE DAY ONLY, rain or shine. Sorry, we cannot honor passes or issue vendor permits. All sales are final and tickets are not refundable. Alcoholic beverages and smoking will not be permitted aboard this train. Tickets will be mailed to you in early May; we will send driving directions to the departure point in Burlington with your tickets. Please notify us if special accommodations (handicap seating, etc.) are required.

We will operate a connecting van or bus from Boston, leaving South Station at 6:15 AM and the Anderson RTC in Woburn at 6:30 AM, with a guaranteed connection to the train. This "Boston connection" will depart from Rutland shortly after the train's arrival there, returning to South Station at approximately 7:30 PM. In cooperation with the Amherst Railway Society we are also offering a bus connection from western Massachusetts, with departures from Warren and Hadley, MA
